Food Bank

OUR MISSION:

**Is to provide help to
individuals and families
in crisis by providing
clients with quality
nutritious food.**

OUR HISTORY:

The Bon Accord/Gibbons Food Bank has been in operation since 1982.

We began with local residents planting larger gardens in order to provide their neighbours in need with fresh fruits and vegetables. From there, representatives from the communities' churches formed the Food Bank.

In 2008, we opened our first storefront location in Bon Accord. As the need for more space arose, we moved to our current location in Gibbons in 2013. Today we work hard to support the growing population in our surrounding area.

THE NEED...

Food Banks are a reality in throughout Alberta, Canada, and your community.

Our goal is to serve anyone who needs extra support for one reason or another.

Whether unemployed, working poor, a minimum wage earner, or a recipient of income support; we believe everyone should have food stability.

**BY SUPPORTING
THE FOOD BANK WE
HELP OUR FRIENDS
AND NEIGHBOURS.**

WHO WE SERVE:
